Certified copy of a Report of the Committee of the Privy Council approved by His Excellency the Governor General on the 21st. June, 1912.

The Minister of the Interior submits, under date 13th June 1912, that Mr. S. S. Moore has homestead entry on the 29th January, 1907, for the North East quarter of Section 16, Township 5, Range 11, West of the Fourth Meridian.

The Minister states that it appears that this homesteader married his wife, Ruth Moulton Moore, during February, 1909. He further states that since she has perfected the required homestead duties.

After Mr. Moore had been located for a period of three years, her husband's entry was cancelled and she was entitled to make entry for this land on the 29th February, 1912.

Mr. Moore has been granted a certificate of Naturalization as a British subject.

Mr. Moore has now made application for patent but it appears that there is no provision in the Dominion Lands Act covering cases of this kind, under which she could obtain patent until she had held entry for the land for three years from the date of entry.

The Minister, therefore, recommends that authority be given, under the provisions of sub-section "g" of Section seventy-six of the Dominion Lands Act, to enable patent to be issued at once.

The Committee submit the same for approval.

The Minister of the Interior.

The Public Trustee is administering the estate of the above named mentally incompetent patient, and wishes to apply for the old age pension on his behalf but has no documentary evidence as to his age. Would you kindly check your records and let me have any information there is regarding this man's age in connection with his pre-emption entry on the S.W.¼ 22-33-20-W.4th Meridian.

I do not know the year the pre-emption was filed upon but the patient was committed to the Provincial Mental Hospital on Oct. 24,1923 and it would be some year prior to that time. I may say there is correspondence on my file from the Agent, Department of the Interior, Dominion Lands Administration. Calgary, dated October 3,1925 (this file 5[illegible]) regarding completion of payments.
